The Spreenauten GmbH is proud to have once again been recognized as a Motorola Platinum Partner for TETRA and DMR radio technology in 2024. This partnership is a testament to our outstanding expertise and commitment to delivering innovative communication solutions.

The Platinum Partnership represents the highest level in Motorola's partner network. It stands for exceptional expertise, technical proficiency, and close collaboration with Motorola.

As a Platinum Partner, we (and therefore all our business partners) gain access to exclusive resources, training, and products that enable us to deliver solutions tailored to the most specific requirements. Together with our IT-driven approach, this makes us extremely fast and highly effective.

Our customers benefit from:

- › **State-of-the-art technology:** Access to the latest developments in TETRA and DMR radio technology.
- › **Reliable support:** Direct connection to Motorola resources for rapid issue resolution.
- › **Tailored solutions:** With years of experience, we can perfectly adapt projects to specific requirements.

This renewed recognition motivates us to continue providing top-notch services and products. We thank Motorola and our customers for their trust. Together, we shape the future of communication!
