### The Spreenauten say: THANK YOU!

09/07/2020

... for an immensely strong first half of 2020! 57% growth in the first 6 months, and this despite Corona and the weaknesses in our rental business - this is definitely a reason to thank all our business partners and friends very much! The Spreenauten have always been active for a large number of small, medium-sized and a few large customers - this healthy basis obviously enables us to survive difficult economic times, for which we are very grateful. In addition to this, there is our growing business in the areas of software as well as hardware development. We have also received the first orders for our mobile UV disinfection stations. Many thanks! For you, we are happy to continue to pick up speed and remain, as we say: customer obsessed!
