We are proud to announce that Spreenauten GmbH has once again been recognized as a Motorola Platinum Partner in 2025 for both DMR (Digital Mobile Radio) and TETRA (Terrestrial Trunked Radio). This prestigious partner status represents the highest level of trust, technical excellence, and strategic collaboration with Motorola Solutions, one of the global leaders in professional communication technologies.

What This Means for Our Friends & Clients

Our Motorola Platinum Partner status provides numerous advantages for our customers:

- Early Access to the Latest Radio Technologies
- We receive exclusive early access to new Motorola product lines and solutions, including R7 Premium, Tetra, WAVE PTX, and BodyCam systems – allowing our clients to benefit from cutting-edge communication technologies ahead of the market.
- Exclusive Pricing and Project Discounts
Thanks to our direct partnership with Motorola, we can offer our customers exceptional pricing, both for equipment purchase and long-term rental models.

Priority Technical Support and Service

Clients benefit from faster response times and prioritized repair services, including direct communication with Motorola's technical and engineering teams.

Customized Solutions and Branding

We work closely with Motorola to develop tailored communication systems, including device customization such as branded casings, color-coded accessories, and integration into complex IT or security infrastructures.

Future-Proof Guidance and Expert Consulting

Being a Platinum Partner grants us access to development roadmaps, beta programs, and internal expertise. This allows us to advise our customers with deep insight and help them make sustainable, future-ready investments.

Why It Matters

DMR and TETRA are essential communication standards in sectors like public safety,

logistics, industrial operations, event coordination, and smart cities. Our renewed Platinum status ensures our customers continue to receive only the highest level of service, technology, and long-term reliability.

We thank Motorola Solutions for their continued trust and look forward to many exciting projects with our partners across Europe and beyond.
